

“S2B Startup Bootcamp Program”

Guidelines of Startup Reward and Startup Fund

I. Prize description

Startup Prize and Startup Fund

1. Outstanding Startup Prize: One (1) winning team will be announced on the final round and will win NTD 50 000 startup reward (collected by the Leader’s account) and NTD 150 000 startup fund (collected by the company’s account).
2. Potential Startup Prize: One (1) winning team will be announced on the final round and will win NTD 20 000 startup reward (collected by the Leader’s account) and NTD 60 000 startup fund (collected by the company’s account).
3. Corporate Sponsor: One (1) winning team will be announced on the final round and will win NTD 30 000 startup reward (collected by the Leader’s account)

If the selected team cannot attend any of the major training set by the Organizer (please refer to the "Team Warranty Agreement"), it shall be deemed as disqualified.

II. Eligibility:

1. The applicant must be the members of the winning team of the “Outstanding Startup Prize” and “Potential Startup Prize” at the final round of this program (hereinafter referred to as the “Team”).
2. The Team must negotiate and decide by itself about the allocation of the reward to their team members, and sign the Reward Receipt and the Investment Declaration; the bank account shall also be provided for remittance (the transaction fee will be deducted from the prize).
3. The startup reward is collected by the Leader’s account and the members shall decide the reward allocation for their members; the Organizer will not interfere in the reward allocation.
4. The winning teams of the Startup Fund will obtain the Startup Fund based on the prize planning once the company is established and registered and has provided the relevant

documents for inspection. The Startup Fund shall only be transferred to the bank account of the startup company.

5. The Team's start-up company shall be established within the territory of the Republic of China (Taiwan), and the company must use the startup concept or technology proposed by the Team at the final round of the program as its core technology.
6. The registration date of startup company establishment must be completed one year before the announcement of the results of the preliminary round winner announcement or one year after the final round winner announcement (the company registration must be officially completed before August 26th, 2021).
7. All documents for inspection must be prepared (including one electronic copy in a CD and two copies of the paper-based documents).

III. Application:

- (i.) The application period consists of one year, starting on the day of the announcement of the winning teams at the final round of the Program. Applications submitted after the deadline shall be deemed as unconditional renouncement (the company registration must be officially completed before August 26th, 2021).
- (ii.) The payment date of the Startup Fund shall comply with the planning and scheduling of the annual accounting year budget of this plan. The team may confirm with the contact window when submitting the application forms.
- (iii.) The Team must prepare the following documents and issue the application to the office of this Program:
 1. Certificate of company registration or establishment (except for a for-profit business registration certificate, which must be: a company incorporated in the Republic of China) (Attachment 2-2)
 2. Tax Registration Certificate of the National Taxation Bureau (Photocopy)
 3. Startup Prize allocation table (Attachment 2-3), Startup Fund allocation table (Attachment 2-3-1), company receipt (original copy) (Attachment 2-4), and Investment Declaration (Attachment 2-4- 1).
 4. Consent Letter of the Team's Subsequent Cooperation and Authorization Letter of the Copyright (original copy) (attachment

2-5)

- (iv.) Submission of the final pitch deck: The electronic file must be uploaded to the platform designated by the Program. During the execution of this program, the Team must cooperate with:
1. Subsequent follow-up of the program results: To provide relevant description and information of the operations after the company's establishment, the operative performance, fundraising, etc.
 2. To assist in the promotion of S2B: To share the experiences and results with texts, videos, photos, and others.
 3. Follow-up of the talent training: To track each team member's startup life and development in line with this program.
 4. To authorize the aforementioned information for the program to use them pro-bonus at various results presentations, exhibitions, publicities, sharing and other activities.
 5. Statement of the Relationship between the Team Startup Idea (Technology) and the Company (Attachment 2-6).
 6. Statement of the Relationship between Team Members and Corporate Governance (must comply with the following two conditions) (Attachment 2-7).
 - The team member(s) is/are responsible for the main management of the startup company or has/have significant decision-making power, including managers and above, and directors.
 - The team member(s) is/are beneficiary members of the startup company receiving the startup fund, including employees, shareholders, directors but excluding independent directors.
 7. Verification report of the capital
 - The team members must provide a verification report issued by a legal verification institution to prove the team member(s) has/have used the reward obtained from the Outstanding Startup Prize wholly on the capital increase of the startup company.
 8. Photocopy of the company's account for remittance (please attach it at the corresponding box on the final page) (Attachment 2-8)
 9. Business plan (including capital planning)
- IV. The program must verify and approve the aforementioned documentation for inspection before granting the startup fund.

- V. The program is entitled to the right to decide the timing of the payment and reimbursement or to make any modification to the regulations depending on the actual situation.
- VI. The income tax declaration of the company and the withholding tax amount shall be handled in accordance with the tax laws and regulations of the Republic of China (Taiwan).
- VII. The uncovered matters shall be handled in accordance with the laws and regulations of the Republic of China (Taiwan) and FRT.
